Dear Friends,
I hope this note finds you well and managing the unsettled weather patterns we have experienced over the summer season! We were blessed with a clear and sunny day at the 15th annual NQ Senior Picnic recently held at Silver Lake Park under the Richard Phillips pavilion. We were serenaded with the great music of the Relics, the local duo of Brian and Lefty, sponsored by a local Cultural Council grant. The grills were managed by the Worcester County Sheriff's office with the food table served by COA dining staff, board of directors and volunteers. The Friends of the Council on Aging provided dessert, while Quabbin Valley Healthcare donated the potato salad and last, but certainly not least, we appreciate the efforts of the Athol DPW for all their assistance. It took many volunteers to prepare, execute and breakdown the day's event and without their efforts, we wouldn't have had such a successful picnic! Thanks to all of you!

There are many programs and events coming to the Senior Center over the next couple of months, so be sure to stay up to date with the monthly Newsletter. Wishing you a great month ahead and if you have any questions about the different assistance we provide here at the COA office, give us a call at 978-249-8986. Be well and safe! Cathy
